

Vegetables: Full/Partial Share each week. Nutrient-dense produce has the color, texture, and taste that only comes fresh-picked from local farms. We avoid synthetic fertilizers and pesticides.

Eggs: Every other week. Eggs have deeply colored yolks from pasture raised hens.

Raw Dairy Products: Order by Friday each week. Grazed on organic pastures, Dutch Belted and Jersey cows produce rich, creamy milk filled with flavor and nutrients.

Raw Goat's Milk: Order by Friday weekly. Delicious milk from goats raised on pasture.

Chicken: 8 chickens delivered at intervals and one Thanksgiving turkey. After the brooder stage, birds live in pens moved to fresh grass daily. Poultry is hand processed and is far superior in flavor and texture to factory farm birds.

Pork: One large delivery, packaged and frozen. Pigs raised outdoors in fresh air and sunshine. Pork cuts include roasts, chops, ribs, sausage, ham, and bacon. We have pork available throughout the year.

Grassfed Beef: One large delivery, packaged and frozen. Grazing cattle yields beef with fat yellow in color, indicating improved nutrients and flavor. Includes steaks, roasts, and burgers.

Lamb: One delivery, packaged and frozen. Our heritage lambs, raised naturally and humanely, are fed primarily grass, supplemented with hay and GMO-free grain.

Honey: 1.5 pound pint jar Unprocessed, unfiltered, and unpasteurized wildflower honey.

Our products are raised without hormones or antibiotics.
