

**Fruitful Hills Winter 2021/2022 CSA Application Deliveries begin November 3, 2021**

**Vegetables: Full/Partial Share each delivery**  
Nutrient-dense produce has the color, texture, and taste that only comes fresh-picked from local farms. We avoid synthetic fertilizers and pesticides.

**Eggs: 1 dozen per delivery.**  
Our eggs have deeply colored yolks from hens fed a non-GMO diet.

**Raw Dairy Products:**  
*Order by Friday before each delivery.* After grazing on stockpiled grass, our Dutch Belted and Jersey cows are fed hay and a small amount of grain over the winter.

**Raw Goat's Milk**  
*Order by Friday before each delivery.* Delicious milk from goats raised on pasture.

**Chicken: 6 chickens**  
After the brooder stage, birds live in pens moved to fresh grass daily. Poultry is hand-processed, superior in flavor and texture to factory-farm birds. The birds will be frozen.

**Pork: One large delivery, frozen**  
Pigs are raised outdoors and fed non-GMO grains. Our heritage breed consists of Hampshire cross and Berkshire breeding. In winter, we add hay to their outdoor shelters.

**Honey: 1.5 pound pint jar**  
Unprocessed, unfiltered, and unpasteurized wildflower honey, 4 times over the season.

**Lamb: One delivery, packaged and frozen.**  
Our heritage lambs, raised naturally and humanely, fed mostly grass, supplemented with hay and GMO-free grain.
