Vegetables: delivered every other week
Nutrient-dense produce has the color, texture, and taste that only comes fresh-picked from local farms. We avoid synthetic fertilizers and pesticides.

Eggs: 1 dozen per delivery.
Our eggs have deeply colored yolks from pasture-raised hens.

Raw Dairy:
Order by Friday before each delivery.
After grazing on stockpiled grass, our Dutch Belted and Jersey cows are fed hay and a small amount of grain over the winter. Milk is rich and creamy, filled with flavor.

Raw Goat's Milk
Order by Friday before each delivery.
Delicious milk from goats raised on pasture

Pork: One large delivery, frozen
Pigs are raised outdoors, in fresh air and sunshine. Our heritage breed consists of Hampshire cross and Berkshire breeding. In winter, hay is added to their outdoor shelters. Pork cuts include roasts, chops, ribs, sausage, ham, and bacon.

Honey: 1.5 pound pint jar
Unprocessed, unfiltered, and unpasteurized wildflower honey
